Personal Profile

I am a Chartered Member of IOSH and sit on the Peer Review Panel for new Chartered Members. I am a registered consultant with OSHCR and have over 30 years' experience within Health and Safety. My Health and Safety career began within local authorities looking after Parks and Cemeteries. This was at the commencement of the European legislation. I have vast experience of writing risk assessments and assisting with the implementation of safe systems of work.

Out of work, I am a committee member of my local IOSH district branch and in my spare time I am the vice chair of governors at my local primary school, key responsibility, looking after Health and Safety.
