For the attention of Mr Neil Gibbard

Dear Mr Gibbard,

Safety Award 2015

SES Engineering Services are delighted to confirm that Coolair have been selected and awarded the SES Midlands Region "Safe Company of the Year" award for their operatives excellent attitude to H&S, their continuing support in promoting a positive safety culture and safeworking environment on site and for being the top scoring sub-contractor in the SES Midland region's sub-contractor SHE league table.

A really well-deserved and well-earned award, we hope that you will share this great achievement with your staff and associates.

Please find enclosed a photograph taken during the presentation of the award, SES Regional Director Chris Catterick presenting the award to Mr Neil Gibbard.

We look forward to continuing our excellent working relationship on current and future projects.

Yours faithfully,

Tony Sidwell CFIOSH
